

Moose Association Holiday Seals Fundraiser

Moose Charities and many Moose Associations are partnering in a fundraiser that benefits each individual Association as well as the children of Mooseheart. Holiday seals are a traditional way to dress up your greeting cards or seasonal letters to friends and loved ones.

Only active Loyal Order of Moose members in participating Moose Associations will be mailed this fundraiser in November of this year. You will receive an appeal letter with the 36 full color seals created by Mooseheart youth (samples shown are not actual size).

Here's how it works: Simply decide the amount of your donation, write your check (payable to Moose Charities) and return it in the enclosed pre-addressed envelope. Your donation will be allocated 30% to Mooseheart School (this portion fully tax-deductible) and 70% to the Association for operating expenses (not tax-deductible).

This holiday season, please think of our children at Mooseheart. Using these seals will not only spread the joy and love of the holiday season, but it will help support our Child City and School. We wish you and your family a wonderful Holiday Season! ■

Learning of his parents' divorce sent one boy into a tailspin. Having been adopted two years before, he was just settling into his new family. Was he the reason behind the divorce? Anger and despair ruled his life and now no one was prepared to care for him. But for three years now Mooseheart has been able to provide him with a stable family life. And although life is not easy, he has hope for a bright future.

Still struggling with the death of her father, one girl had to step up and care for her two younger brothers as Mom took on a second job to keep the bills paid, barely. School wasn't a priority and neither were friends for this 12 year old. But now, with the help of the Moose, she can concentrate on school and have fun with her friends and brothers at Mooseheart.

Thank You For Your Support!
