

Attention All Brigade Participants:

We are making changes to our UPS account and receiving warehouse beginning on 3/23/11. As of this Friday, 3/25/11, please discard any labels that you currently have which are addressed to Cranbury, NJ and print/request new labels via the red "SHIP YOUR WASTE TO US" button located on your account.

*Please note that participants in the MARS Drinks Brigade, Cell Phone Brigade, Lap Top Brigade, MP3 Player Brigade, and Digital Camera Brigade can disregard this e-mail.

Please also remember to print a new label from your account each time you are sending a shipment to TerraCycle. Labels **CANNOT** be photocopied or reprinted. If this occurs, TerraCycle is unable to credit your account for items shipped as each tracking number can only be credited to your account once.

Thanks for your understanding and cooperation.
