On behalf of Moose Charities and Mooseheart, you should be thanked in advance for your generous support the *Uniting Hearts; Expanding Horizons* campaign. Because of you, this bold vision will become a reality — one that uplifts the lives of children, adults, and families across the Mooseheart campus to achieve the goals:

Three fully renovated Mooseheart homes — thoughtfully redesigned to serve children and adults with intellectual or developmental disabilities, providing safety, comfort, and a true sense of belonging.

Three brand-new, purpose-built homes — offering Community Integrated Living Arrangements that allow residents to live with dignity and greater independence.

A state-of-the-art Fresh Water Treatment Plant — ensuring clean, sustainable water for every member of the Mooseheart community.

The renovation of ten Family Teacher homes — reinforcing the heart of our caregiving model, where love, structure, and support come together to nurture success.

Critical infrastructure upgrades — including new paving, curbs, sidewalks, and modernized water lines to ensure a safer, more accessible campus.

A revitalized track and discus cage — because every child deserves a place to run, compete, and chase their dreams.

These are not just improvements to buildings and systems — they are investments in futures, hope, and dignity. Your belief in our mission and your generous contribution will make this possible.

The 4th annual Rudolph Run 5k is ready to spread the holiday cheer!

Last year you helped us fundraise over **\$268,764.88** for Mooseheart through sponsorships and team fundraising.

We need your help this holiday season to raise as much as possible for Mooseheart.

Ask your Lodge to secure your spot on our event t-shirt, (sponsorships received before October 31st, 2025 will be featured on the event t-shirt).

All donations and sponsorships received from this event directly supports Mooseheart Child City & School

**84 TEAMS

381 NATIONWIDE**

If every lodge were to donate a Bronze sponsorship (\$250.00) we would make over \$300,000 to help Mooseheart have a bright future!

We are asking you to:

1. Sponsor the Rudolph Run 5k.
2. Encourage your members to create their own team.
3. Host your own fun run or walk event for Mooseheart. Sponsorships are very critical to this event.

We cannot do this without your help.

Please make your checks out to "Moose Charities" with "Rudolph Run 5k sponsorship" on the memo line. Thank you

Is there anyone here today that has participated in the past!

Please rise.

Let's give them A round of applause to you for all of your efforts.
