

# Midyear

2026

---

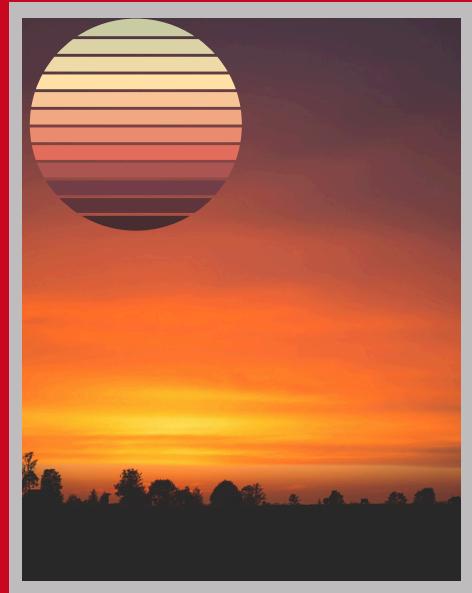

"Hi everyone! Quick question... who here has ever given a little extra to something they believe in?

A tip, a donation, a birthday gift that made someone cry in a good way?

Well today, we're talking about that kind of giving – the kind that changes lives – and makes you feel proud to be a member of the Moose

The donations received by Moose charities from your Moose Association - Lodge – Chapter – Moose Legion – and individual members on behalf of Mooseheart and Moosehaven are that type of giving.

# **Uniting Hearts; Expanding Horizons**

All of your giving is directed to the project or fund that you designate.

We are currently fundraising for the Uniting Hearts; Expanding Horizons project that includes a reimagining of Mooseheart's future to include those with special needs.

Fundraising is underway for the three-year project to expand both our mission and reach welcoming children with special needs to Mooseheart.

We as a Moose Association have raised \$ \_\_\_\_\_

Together we are building a future where everyone belongs.

Please continue to follow updates regarding this incredible project that has begun for Mooseheart

Please call Moose Charities (630)-966-2200 if you have any questions.

# Rocker Fundraiser

Continuing with an endowment fund theme.

Twice per year members participate in the Cradle or Rocker Fundraiser

This fundraiser is easy to make happen at your lodge and every dollar goes to the endowment fund for your lodge.

These donations go to the endowment fund and will help your lodge exceed +\$1

Take a look at the following slides for some inspiration. Some lodges really have some fun with this endowment fundraiser.

- **Individuals Giving to Moose Charities**
- **Endowment fund = Donors Circle**
- **Why personal giving matters.**

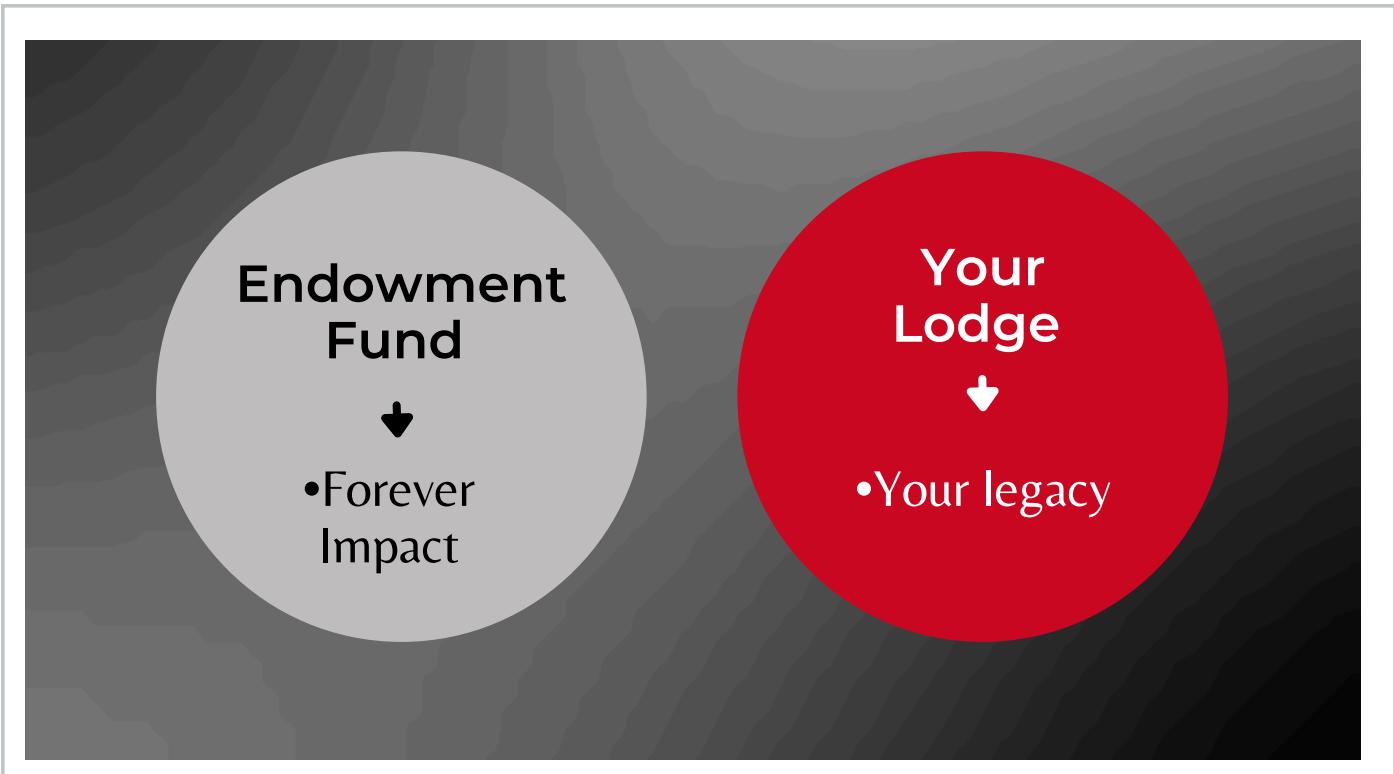

“Think of the Donors Circle like our Moose Charities version of the Oscars – but instead of popularity, it’s powered by heart.□

It’s a group of generous members who’ve committed to personal giving, no matter the amount, to support our Endowment Fund and your ALL lodge giving.

□ Basically: it’s where generosity meets security.”

Why Personal Giving Matters

□ “Every dollar counts. Seriously – this isn’t just about big checks.□ Giving personally helps sustain the Endowment Fund – which means steady support for Mooseheart and Moosehaven for generations.□ And your Lodge? Your personal gifts to Donors Circle help your lodge reach All Giving Goals”

Endowment Fund = Forever Impact

“Picture this: You give once – and your gift works forever.□That’s the power of the Endowment Fund.□It’s like planting a tree you’ll never sit under... but the kids at Mooseheart will. The seniors at Moosehaven will. And the Lodge you love will feel the shade of your generosity.”

Your Lodge, Your Legacy

“Now let’s talk about your lodge□Every dollar you give can be credited back to your Lodge. That means you’re boosting your own lodge while supporting our larger Moose mission.□It’s like buying coffee for the whole neighborhood – and getting reward points for yourself!”
